

DIRECTIONS: These children in Asia are happy that the Lord guided ADRA workers to find water so they can now have all they want to drink and take a bath. There are some objects hidden in the picture that need water. Can you find them? Put a circle around them.

SONNY TO THE RESCUE

While  and his  and  lived in , they went to  for a little camping vacation at a resort. Their best day was when they went on a  safari while riding on an . They saw  and ,  and .

That night as they were drifting off to sleep in their  the  began to shake.  was knocked out of  then  fell on top of him. It was completely dark. Everyone kept saying, "Are you all right?" There was dust everywhere.

 had his . He turned it on and looked around. All their stuff was scattered about. After talking it over, they decided that they should hike out in the morning and get to an  to fly out. They were going to be needed wherever the  shook the ground the hardest.

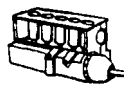

When they finally reached the , Mom and Dad got on the  and found out where the  was centered. They ordered  and s,  and  while they waited at the .  found out that an  would come to take them to the  while  and  were on the .

After they got off the , they went directly to the ADRA relief site.  set up headquarters and began figuring out what needed to be done.  helped set up the medical  and began organizing the medical supplies.  was put to work counting . There was another aftershock and everyone looked nervous, but no one was hurt.

 , a relief worker, came to tell  that the  had been broken in the .

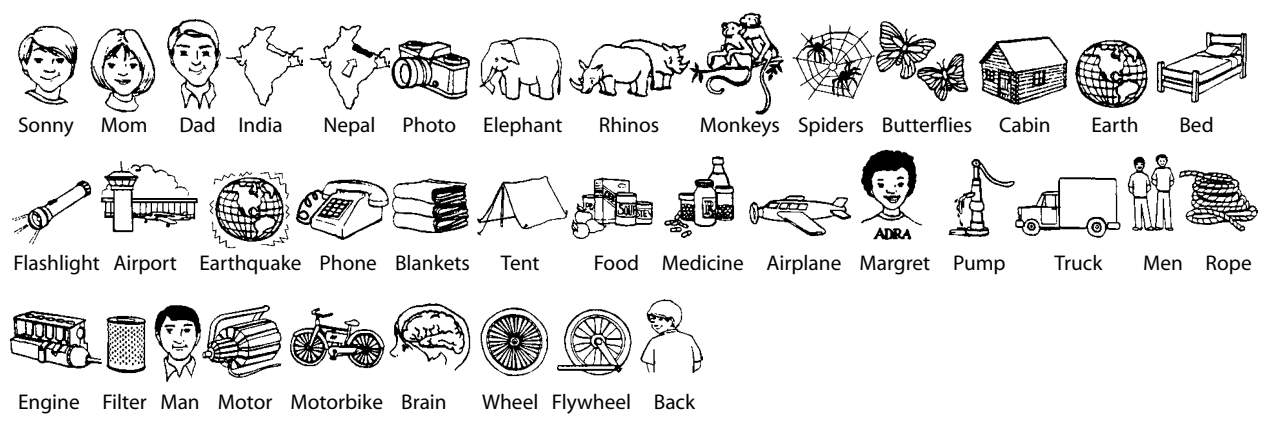

“We’re out of water,” said . “And no one has been able to fix the .” Just then another equipment  arrived. There was so much going on. Everyone wanted  to do this or go there. “ go with  and take a look at the ,” said . “Then come tell me what shape it’s in.”

 was surprised, but excited. “You can count on me!” he said.  took him to the . Two  were pulling a  to start the  but nothing was working.

 introduced  and everyone stood back to let him have a look.  checked the . The  still wouldn’t start. A  on a  rode up to watch.

 was thinking. As he stared at the , his  clicked. He got an idea. He explained what he wanted to do, and the  let him borrow his . He hooked the ’s back  up to the of  the . Some men held the  in place.  revved the  and put it in gear. The   started!

Everyone cheered in amazement.  came running up asking “What’s going on?” Everyone explained all at once.  pounded  on the . He was so proud. “I’m going to send you over to help ,”  said. “She needs a genius like you to help her straighten out the mess with the medical supplies.”

DIRECTIONS: God was with Moses as he guided the children of Israel through the wilderness. He even helped him to bring water from a rock. God can help you with your problems if you ask Him.

In some parts of the world, doctors and nurses guide people by giving them health care. Using the picture of the nurse and mother weighing a baby, write down words found in the picture. Start with "A" and see how far into the alphabet you can get. Example: A = arm
