

HAITI EARTHQUAKE

URGENT! HELP ADRA RAISE \$1 MILLION

FACTS

On January 12, a powerful 7.0-magnitude earthquake struck at 4:53 p.m. local time approximately 10 miles southwest of the capital Port-au-Prince, the strongest quake to hit Haiti in more than 200 years. An estimated 200,000 are believed dead, with some 3 million affected. Damage to infrastructure, including bridges, buildings, phone and power lines, remains severely compromised.

ADRA'S RESPONSE

- ▶ ADRA is staging relief operations on the grounds of the Haitian Adventist University where up to 30,000 survivors have set up temporary shelter.
- ▶ ADRA is providing medical assistance and supplies, conducting water purification, and distributing emergency non-food items.
- ▶ ADRA has distributed 13,000 emergency food rations, and will continue to provide ongoing food supplies for survivors.
- ▶ ADRA has already installed three new water points and plans to add 20 more.
- ▶ ADRA is building latrines to provide sanitation for up to 30,000 survivors.
